

THE ALPINE MECCA OF GOLF

# crans montana golf camps

Through LEI, students can visit Crans Montana, fully guided and supervised by our experienced staff.

As well as being a world class winter ski resort, the exclusive resort of Crans Montana is also famous for its alpine golf, and international competitions such as the Swiss Golf Open that takes place here every year with some of the best golfers from around the planet competing. Our summer golf camps take full advantage of the three prestigious alpine golf courses, some of the best golf instructors to be found anywhere, a wonderful variety of other summer camp activities, and our own year-round camp facilities. In Crans Montana, nature has done its job, and we'll do ours, to make sure you have a wonderful golf camp experience.
